

TSC3 Tubelight LV Desktop Clamp Plug & Play Spotlight

TSC3 Desktop Clamp Spot incorporates three independently adjustable MR16 LED spotlights for illuminating different areas of your display making it a perfect lighting solution for craft fairs and shows. The MR16 LED lamps are available in warm white (3000K), cool white (4000K) or daylight white (6500K) to suit the products being illuminated. The base of the spotlight will clamp onto the edge of table tops that have a thickness between 5mm and 50mm giving complete stability. As with most MR16 LED lamps they emit very little heat so there is no risk to potential customers while browsing your display

- Plug & Play for quick set up in exhibition & retail displays.
- Low heat illumination.
- No ultraviolet light so does not fade materials.
- Unobtrusive.
