

BST1 Beamlite MR16 LV Pro Spotlights

BST1 Beamlite MR16 LV Pro single spotlight is manufactured by Display Lighting Ltd in our workshop in Cheshire, UK.

Beamlite is a range of reliable contemporary spotlights constructed from solid brass to ensure a high quality, long lasting finishes and is available in single (BST1) and double (BST2) versions.

Designed to be screw fixed to the top of beams and exhibition panels for either general room illumination or for illuminating wall mounted graphics and artwork.

- Accepts MR16 LED lamps.
- Specialised focused lighting for exhibition lighting.
- Low heat illumination.
- No ultraviolet light so does not fade materials.
- Unobtrusive.
- Bespoke product manufactured to specification.
- Reduces heat emissions and heat build-up in store.
- Reduces energy bills by up to 80%.
- Choice of finishes.
